

Golf Handicap Information Sheet

Handicap Index:

- **Indicates a player's skill level**
- **Compares your scoring ability to the scoring ability of a SCRATCH (0) golfer on the same course**
- **It reflects your potential, not your average score 10 best of last 20**

When we post scores/rounds:

- **If 13 or more holes are played, the Player must post an 18 hole score**
- **If 7 to 12 holes are played, the player Must post a 9 hole score**
- **Scores also posted in Match Play: when a hole is conceded, the player must record their most likely score for that hole.**

How we post scores:

- **on unfinished or holes not played,**
- **player records a score of par plus any handicap strokes player is entitled**

- **Equitable Stroke Control. This process reduces high hole scores to make handicaps more representative of a player's ability. Table below:**

| Course Hdcp | Max. # on any hole |
|--------------------|---------------------------|
| 9 or less | double bogey |
| 10 - 19 | 7 |
| 20 - 29 | 8 |
| 30 - 39 | 9 |
| 40 or more | 10 |

Equitable Play / Handicap Adjustments

| Tees/ Rating | Player | hdcp index | course hdcp | adjusted hdcp |
|-------------------------|------------------|-----------------------|------------------------|--------------------------|
| Blue 69.5 | P. Gagnon | 9.9 | 11 | 15 +4 |
| White 67.7 | F. Botti | 15.8 | 17 | 19 +2 |
| Silver 65.9 | Mechoney | 23.4 | 23 | 23 0 |
